The employment policy of The Lifetime Healthcare Companies is to provide equal opportunity to all persons. Our company, therefore, has made a commitment to equal employment opportunity through a positive and continuing affirmative action program. No employee or applicant for employment will be discriminated against because of race, color, gender, age, disability, religion, citizenship, national origin, veteran status, military service, marital status, sexual orientation, prior arrest or conviction record, gender identity and expression, genetic predisposition, information or carrier status, political activities, certain legal activities conducted outside of work hours, the choice to express breast milk in the workplace and any other Federal or State legally-protected classes.

The Lifetime Healthcare Companies will recruit, hire, train and promote qualified individuals in all job titles, and ensure that all other personnel actions are administered without regard to race, color, religion, sex, protected veteran status, or disability in accordance with Executive Order 11246, Section 503 of the Rehabilitation Act of 1973, as amended, and the Vietnam Era Veterans Readjustment Assistance Act of 1974, which require affirmative action to ensure equal opportunity in all aspects of employment. The Lifetime Healthcare Companies does not discriminate on the basis of national origin or citizenship status as provided under the Immigration Reform and Control Act of 1986.

- A. Base decisions on employment so as to further the principle of equal employment opportunity;
- B. Insure that promotion decisions are in accordance with the principles of equal employment opportunity by imposing only valid requirements for promotional opportunities;

Employees and applicants shall not be subjected to harassment, intimidation, threats, coercion, or discrimination because they have engaged in or may engage in any of the following activities:

- A. Filing a complaint;
- B. Assisting or participating in an investigation, compliance evaluation, hearing, or any other activity related to the administration of affirmative action and equal opportunity regulations;
- C. Opposing any act or practice made unlawful by affirmative action and equal opportunity regulations, including Federal, State, and local law;
